2020 Membership Renewal Subscription Fact Sheet

- The subscription runs from January 6, 2020 through December 31, 2020. There is no carry over into 2021. You will not be able to access any of the products until January 6, 2020.
- It is a per-person subscription and cannot be shared with other individuals.
- The subscription contains 20 learning activities. Each activity is worth 1.0 – 1.5 CE hours when successfully completed. The maximum CE hours that can be earned for successfully completing all activities is 21 CE hours.
- Seventeen (17) activities meet the Category A requirement and are noted on the list.
- To access the subscription after purchase, go to NCRA’s Center for Cancer Registry Education (CCRE) – www.cancerregistryeducation.org and click on the My Learning Activities tab. The subscription will be listed under “Subscriptions/Group Series”.
- Additional questions, contact ccre@ncra-usa.org or 703-299-6640 ext. 317
